Quarterly Report

2021/22

Quarter 2, 2021/22

- The purpose of this report is to highlight Trust's 2021/22 (YTD) complaints performance up to end of Quarter 2. The KPIs are considered against targets for 2021/22, which were board approved on the 29th July 2021, and actual results for 2020/21. In addition, where available, they are benchmarked against the average Scottish Social Housing Charter results for 2020/21.
- Complaints performance was reviewed by the Audit & Performance Sub-Committee on the 2nd December 2021.
- All references to Trust mean the combined organisation inclusive of Wishaw & District Housing (WDH), both in relation to performance results and 2020/21 targets.
- Where relevant, figures will be broken down for 'WDH Only' to enable better insight of performance and trends across the organisation.

- The following slides use a colour key across all graphs to indicate how data is broken down within the organisation.

- The colour key is shown on the right.
